

RTI and the Secondary Level

Looking to optimize learning for all students? Response to Intervention is the path to optimal learning for all. By now, Response to Intervention is a phrase that most educators have heard but perhaps are still a bit unfamiliar with the topic, especially in regards to what RTI looks like at the secondary level.

Are you struggling to know exactly what you are expected to do in your district, schools, and classrooms in regards to RTI? This workshop will allow to explore options that are available for implementing RTI at the Secondary Level, including:

Universal Screeners available

- Schedules
- Establishing Parameters for your RTI system
- Data-based Decision Making
- Intervention Options
 - Programs
 - Workstations in the secondary classroom

You may register for this workshop as an individual for \$125 or come as a team from your school corporation (5-8 people total) for \$600!

Date: February 6, 2018

Time: 9:00-3:00

Cost: \$125/individual or
\$600/Team of 5-8

Where: WVEC
3061 Benton St.
W. Lafayette, IN

Presenter:

Tiffany Climer, INcompassing Education—With a B.S.Ed. from Indiana University, Tiffany has worked in many different roles with Richmond Community Schools in Indiana. She first served as a Kindergarten, fifth grade, and sixth grade teacher. She also served as an Interventionist while being responsible for Response to Intervention, RTI, in her building. Tiffany then served as the Math Instructional Coach of an Intermediate School for grades 5-8. She was responsible for implementing and monitoring the RTI framework into grades 5-8. She then later became the single Instructional Coach for her building. She is formally trained in RTI through the state of Indiana, the Literacy Collaborative Framework of best practices, Positive Behavior Intervention and Support, the 8-Step Process and has worked with School Turnaround with an Outreach Coordinator through the Indiana Department of Education. She is eager to provide support to those shaping the future of tomorrow.
