* Teachers will learn a variety of technological tools that they can use in their social studies classrooms to increase student engagement leading to increased retention and achievement.

You will leave this workshop with tools to:

- Ignite student interest in historical events using technology.
- Increase the amount of time-on-task with engaging curriculum.
- Improve retention through immersive online learning experiences

Praise for Dustin's Workshops

"One of the best workshops I've ever been to- super practical, hands-on, fun. Thanks!"

"Loved this presenter! He introduced me to many new and exciting tools that I can use in my classroom."
