NGSX: NextGen Science Exemplar System*

The Next Generation Science Exemplar System for Professional Development, or NGSX 2.0*, is a discourse based professional development environment designed to engage teachers with the practices and disciplinary core ideas in the National Research Council's *Framework for K-12 Science Education*, supporting teachers in the enactment of the Michigan Science Standards.

**In this workshop, teachers will:**
- Engage and deeply examine the Science Practices of Modeling, Explanation, and Argumentation
- Develop and utilize tools to improve classroom practice towards achieving the vision of the Framework for K-12 Science Education

*NGSX is a copyrighted program designed by Clark University, Tidemark Institute, & Northwestern University. For more information please visit, www.ngsx.org.*

989-743-3471

This is a 99s(5) approved professional development course that is designed to engage teachers with the practices and disciplinary core ideas in the National Research Council’s Framework for K-12 Science Education.

These materials were developed under a grant awarded to the Michigan Mathematics and Science Centers Network by the Michigan Department of Education.

It is the policy of the Clinton County Regional Educational Service Agency (CCRESA) and the Shiawassee Regional Education Service District (SRESD) that no discriminatory practices based on gender, race, religion, color, age, national origin, disability, height, weight, marital status, sexual orientation, political affiliations and beliefs, or any other status covered by federal, state or local law be allowed in providing instructional opportunities, programs, services, job placement assistance, employment or in policies governing student conduct and attendance. Any person suspecting a discriminatory practice should contact the assistant superintendent for special education, 1025 N. Shiawassee Street, Corunna, MI 48817, (989) 743-3471 or the associate superintendent for special education, 1013 S. U.S. 27, St. Johns, MI 48879, (989) 224-6831.
