Conflicts of Interest

In accordance with the ADA CERP Standard V., everyone involved in planning or presenting this educational course will be required to disclose any relevant financial relationships with commercial interests and the information will be made available to participants at the start of the course.

As a continuing education provider, UNC School of Dentistry is responsible for ensuring the current, quality and scientific integrity of all continuing dental education courses for which credit is provided. The School is also responsible for taking steps to prevent against and/or disclose any conflict of interest of the facility instructors presenting those courses.

Cancellations and Refunds

Chronic Oral and Facial Pain – A registration refund, less a $50 fee, will be issued for cancellations received by Friday, April 27, 2018. No refunds will be issued after Friday, April 27, 2018.

Diagnosis and Management of Acute and Chronic Orofacial Pain – A registration refund, less a $50 fee, will be issued for cancellations received by Friday, June 15, 2018. No refunds will be issued after Friday, June 15, 2018.

Cancellations and Refunds for both courses – a registration refund, less a $100 fee. Note: If you register for both courses and only cancel from one course, you will need to contact our office.

Cancellations must be received in writing either by fax or email to cde@dentistry.unc.edu. The cancellation request must include: the name of the course, the name of the person registered; name of the person requesting the cancellation, and the reason for the cancellation. The UNC School of Dentistry Continuing Dental Education Program cannot be responsible for the refund of any part of the registration fee as a result of circumstances beyond its control after the cancellation date. 

Cancellations and Refunds for both courses – a registration refund, less a $100 fee. Note: If you register for both courses and only cancel from one course, you will need to contact our office.

The Continuing Dental Education office will not share your information with anyone.

Chronic Oral and Facial Pain Brochure_2018_2.indd   1
2/27/2018   5:03:39 PM
Course Description

Chronic oral pain causes significant suffering and disability. It accounts for 20-25% of all pain-related visits to healthcare professionals and affects 15% of the general population. This course reviews the spectrum of chronic pain conditions presenting in the oral cavity, face, and head, with emphasis on the contribution of headaches to temporomandibular disorders. Evidence-based diagnostic methods and management strategies are presented and illustrated in case studies.

Educational Objectives

Upon completion of this course, participants should be able to:

- Recognize that chronic pain is multi-factorial
- Describe the diagnostic features of chronic oral pain, and headaches
- Identify the evidence-based chronic pain management strategies

Registration Fee and Credit

The registration fee is $590 for DDS/MDs and $225 for all other attendees. Registration fee includes continental breakfast and lunch. The UNC School of Dentistry designates this course up to 6 hours of continuing education credit. A discount is available if you attend both courses.

All non-dental professional attendees will be issued a “letter of attendance”.

Time and Location

This continuing education program is presented by the University of North Carolina at Chapel Hill School of Dentistry and the Department of Endodontics. The UNC Continuing Dental Education program is an ADA CERP Recognized Provider. UNC CDS’s term of recognition is May 1, 2015 through June 30, 2018. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit by the provider. The dentist is responsible to determine whether credit hours meet the requirements for acceptable continuing education in his or her state. Concerns or complaints about a CE provider may be directed to ADA CERP at www.ada.org/cerp.

Speakers

UCF FACULTY: Dr. Pei Feng Lim, Dr. Massimiliano Di Girosio, Dr. Danielle Vidal, Dr. Jeffrey Koenig, Dr. MaryJane Gerace

This program will be taught via case-based learning.

Course Description

Many dental patients present with symptoms of acute and chronic pain. Pain may be nerve root postoperative pain and flare-ups. The dentist is frequently involved in managing pain as part of the patient’s care. To do this, the dentist can effectively diagnose the cause of the pain, which can lead to better clinical outcomes and patient satisfaction.

Educational Objectives

Upon completion of this course, participants should be able to:

- Recognize the regulations for opioid dispensation
- Recognize the precautions and benefits of prescription narcotic analgesics
- Discuss changes in the environment that are affecting the healthcare system, and in particular the management of patients with sleep problems
- Discuss contemporary diagnosis and management strategies for chronic orofacial pain
- Define the dentist’s role in the management of patients with sleep problems
- Recognize the key differences in the pathogenesis of chronic orofacial pain

Registration Fee and Credit

The registration fee is $535 for dentists and $225 for Team Members. Registration includes course materials, continental breakfast and lunch. The UNC School of Dentistry designates this course up to 6 hours of continuing education credit. A discount is available if you attend both courses.

Time and Location

The program will be held at the UNC School of Dentistry. The UNC School of Dentistry is located at the corner of Manning Drive and South Columbia Street. Registration will begin at 7:45am. The program will be held from 8:15am to 4:30pm. The UNC School of Dentistry is located at the corner of Manning Drive and South Columbia Street.

ADA CERP

The Continuing Dental Education program is presented by the University of North Carolina at Chapel Hill School of Dentistry and the Department of Endodontics. The UNC Continuing Dental Education program is an ADA CERP Recognized Provider. UNC CDS’s term of recognition is May 1, 2015 through June 30, 2018. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit by the provider. Concerns or complaints about a CE provider may be directed to ADA CERP at www.ada.org/cerp.

Speakers

Dr. James Beck is a W.R. Kenan Distinguished professor in the Department of Dental Education, UNC School of Dentistry and the Department of Epidemiology at the University of North Carolina at Chapel Hill.

Dr. Claire de la Varre is a consulting hypnotist in the School of Dentistry’s Center where she works with a wide range of patients for issues such as dental anxiety, stress, and pain. She is a faculty and attending at the UNC Oral Pain Management Center.

Dr. Massimiliano Di Girosio is an Assistant Professor at UNC. He is a diplomate of the American Board of Orofacial Pain and serves as an Executive Director on the Board of the American Congress of Pain Management. He is a clinician, a faculty and attending at the UNC Oral Pain Management Program. He is a clinical pain researcher.

Dr. Astrid Foss is the Freedland Distinguished Professor and Chair of the Department of Endodontics, UNC School of Dentistry. He is an expert on endodontic education from UNC medical, clinical outcomes and the link to oral pain and oral pain disorders. His research focuses on the role of endodontic infections in the pathogenesis and treatment of chronic oral pain.

Dr. Claire de la Varre and Dr. Eric Freed are alumni of the UNC School of Dentistry. His research interests include pain mechanisms and management as well as epidemiologic aspects of chronic pain.

Dr. Pei Feng Lim is an Associate Professor at UNC. She is a Diplomate of the American Board of Orofacial Pain and serves as an Executive Director on the Board of the American Congress of Pain Management. She is a diplomate in Orofacial Pain at the University of Kentucky in 2007 and an Orthodontist in private practice in Chicago, Illinois. She is also a Diplomate of the American Board of Orofacial Pain. She is a clinician, a faculty and attending of the UNC Oral Pain Management Program. She is a clinical pain researcher. She lectures extensively both locally and internationally.

Speakers
Clinical Oral and Facial Pain - FRIDAY, MAY 4, 2018

Course Description
Chronic oral pain causes significant suffering, disability, and disability. An accurate diagnosis of chronic pain is very challenging but critical to providing effective treatment. This course reviews the spectrum of chronic pain conditions presenting in the oral cavity, face, and head, with emphasis on the co-morbidity of headaches with temporomandibular disorders. Evidence-based diagnostic methods and management strategies are presented and illustrated via case studies.

Educational Objectives
Upon completion of this course, participants should be able to:

• Recognize chronic pain in its various etiologies
• Describe the diagnostic assessment of chronic oral and facial pain, and headaches
• Identify the evidence-based chronic pain management strategies

Registration Fee and Credit
The registration fee is $350 for DDS/MD/DO and $225 for all other attendees. This includes course materials, continental breakfast and lunch. The UNC School of Dentistry does not designate this course up to 7 hours of continuing education credits. A discount is available if you attend multiple courses.

All non-dental professional attendees will be issued a “letter of attendance”.

Time and Location
The program will be held at the UNC School of Dentistry, Keury Hall. The UNC School of Dentistry is located at the corner of Manning Drive and South Columbia Street. Registration will begin at 7:45 am. The program will end at 4:30 pm.

ADA CERP Recognized Provider
This continuing education program is presented by the University of North Carolina at Chapel Hill School of Dentistry and the Department of Endodontics. The UNC Continuing Dental Education program is an ADA CERP Recognized Provider. UNC CDE’s term of recognition is May 1, 2015 through June 30, 2018. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry or other regulatory agencies. ADA CERP does not acknowledge complaints about a CE provider but may be directed to the provider or to ADA CERP at www.ada.org/cerp.
Course Description

Chronic orofacial pain causes significant suffering and disability. It accounts for one-third of all chronic pain conditions presenting in the oral cavity, face, and head, with emphasis on the co-morbidity of headaches with temporomandibular disorders. Evidence-based diagnostic methods and management strategies are presented and illustrated via case studies.

Educational Objectives

Upon completion of this course, participants should be able to:

- Recognize that chronic pain is multi-modal.
- Describe the differential diagnosis of chronic oral and facial pain, and headaches.
- Identify the evidence-based chronic pain management strategies.

Registration Fee and Credit

The registration fee is $500 for DDS/MS/MD and $225 for all other attendees. Registration includes course materials, continental breakfast and lunch. The UNC School of Dentistry designates this course up to 7 hours of continuing education credit. A discount is available if you attend both courses. All non-dental professional attendees will be issued a “letter of attendance”.

Time and Location

The program will be held at the UNC School of Dentistry, Koury Grill. The UNC School of Dentistry is located at the corner of Manning Drive and South Columbia Street. Registration will begin at 7:30 am. The program will end at 4:30 pm. The UNC School of Dentistry designates this course up to 5 hours of continuing education credit. A discount is available if you attend both courses.

ADA CERP Recognition

This continuing education program is presented by the University of North Carolina at Chapel Hill School of Dentistry and the Department of Endodontics. The UNC Continuing Endodontics education program is an ADA CERP Recognized Provider. UNC CDE's term of recognition is May 1, 2015 through June 30, 2018. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours of continuing education from an organization.
Chronic Oral and Facial Pain - FRIDAY, MAY 4, 2018

Course Description

Chronic oral pain causes significant suffering and disability. An accurate diagnosis of chronic pain is very challenging but critical to improving the path toward pain resolution. This course reviews the spectrum of chronic pain conditions present in the oral cavity, face, and head, with emphasis on the complexity involved with treatment and the need of multidisciplinary approaches. Evidence-based diagnostic methods and management strategies are presented and illustrated via case studies.

Educational Objectives

Upon completion of this course, participants should be able to:
- Recognize that chronic pain is multi-etiological
- Describe the differential diagnosis of chronic oral and facial pain, and headaches
- Identify the evidence-based chronic pain management strategies

Registration Fee and Credit

The registration fee is $500 for DDS/MD and $225 for all other attendees. Registration includes course materials, continental breakfast and lunch. The UNC School of Dentistry Designates this course up to 7 hours of continuing education credits. A discount is available if you attend courses all.

Agenda

Check-in and Continental Breakfast

9:30 - 10:00 am

Welcome and Introduction

9:30 - 10:30 am

The diagnosis and treatment of chronic orofacial pain: A critical review

10:30 - 11:30 am

Ensuring Adequate Positive Anesthesia

11:30 - 12:30 pm

Trigeminal Neuropathic Pain

12:30 - 1:30 pm

Painful Oral Lesions

1:30 - 2:30 pm

Update on Local Anesthesia and Pain Control

2:30 - 3:30 pm

Medication Overuse Headache

3:30 - 4:30 pm

Guided Imagery, Mindfulness, and Other Nonpharmacological Techniques for the Management of Acute and Chronic Pain in Dental Patients

4:30 - 5:30 pm

Bruxism and Chronic Orofacial Pain - Dr. Massimiliano Di Giosia

Speakers

UNC FACULTY: Dr. Pei Feng Lim, Dr. Massimiliano Di Giosia, Dr. Danuta Wysocki, Dr. Raymond Dionne, Dr. Joseph Gunther, Dr. James Beck.

ADA CERP Accreditation

This continuing education program is presented by the University of North Carolina at Chapel Hill School of Dentistry and the Department of Endodontics. The UNC Continuing Dental Education program is an ADA CERP Recognized Provider. UNC CDE's term of recognition is May 1, 2015 through June 30, 2019. The University of North Carolina at Chapel Hill School of Dentistry is an ADA CERP Recognized Provider. UNC CDE's term of recognition is May 1, 2015 through June 30, 2019. The American Dental Association is the authority on evaluating the completeness, relevance, and scientific integrity of continuing dental education programs. The American Dental Association is not endorsing this program. The provider or ADA CERP is not responsible for the content of programs or programs’ guarantees of the education's effectiveness. This program is being advertised in the Provider Directory of the American Dental Association, a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it impose acceptance of credit hours from boards of dentistry. ADA CERP therefore places no restrictions on the courses that may be considered acceptable to a CE provider. It is the responsibility of each CE provider to determine if the course is acceptable to CE providers.

Diagnosis and Management of Acute and Chronic Orofacial Pain - FRIDAY, JUNE 22, 2018

Course Description

Many dental patients present with symptoms of acute and chronic orofacial pain. This program will focus on the postoperative pain and flare-ups. The dentist is frequently involved in managing these patients. The degree to which the dentist can effectively diagnose and manage these conditions can make substantial difference in the success of dental office.

Educational Objectives

Upon completion of this course, participants should be able to:
- Recognize the diagnostic criteria for acute and chronic orofacial pain
- Understand the appropriate selection of non-analgesic and analgesic therapies
- Identify evidence-based approaches to pain control after surgery and during the dental appointment
- Discuss contemporary diagnostic and management strategies for chronic orofacial pain
- Define the dentist’s role in the management of patients with sleep bruxism

Time and Location

The program will be held at the UNC School of Dentistry, Kent Hall. The UNC School of Dentistry is located at the corner of Manning Drive and South Columbia Street. Registration will begin at 7:45 am. The program will be held from 8 am to 4:30 pm.

ADA CERP Accreditation

Cancellations and Refunds
Cancellations and Refunds for both courses – A registration refund, less a $50 fee, will be issued for cancellations received by Friday, April 27, 2018. No refunds will be issued after Friday, April 27, 2018.

Cancellations and Refunds for both courses – A registration refund, less a $50 fee, will be issued for cancellations received by Friday, June 15, 2018. No refunds will be issued after Friday, June 15, 2018.

Cancellations and Refunds for both courses – A registration refund, less a $100 fee. Note – If you register for both courses and register only from one course, you will need to contact our office.

Cancellations must be received in writing either by fax 919-541-2190 or email to cde@dentistry.unc.edu. The cancellation request must include: the name of the course, name of the person registered, name of the person requesting the cancellation, and the reason for the cancellation. The UNC School of Dentistry Continuing Dental Education Program cannot be responsible for the refund of any part of the registration fee if a participant cancels due to illness, unforeseen circumstances, or events beyond its control after the cancellation date.

The University reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement, the University will fully refund registration fees but is not responsible for any related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, rental car or travel agencies.

Special dietary requirements will be honored whenever possible. Please be sure to notify our office in writing of your special needs two weeks before each course.

Conflict of Interest
In accordance with the ADA CERP Standard V, everyone involved in planning or presenting this educational course will be required to disclose any relevant financial relationships with commercial interests and this information will be made available to participants at the start of the course.

As a continuing education provider, UNC School of Dentistry is responsible for ensuring the content, quality and scientific integrity of all continuing dental education courses for which credit is provided. The school is also responsible for taking steps to prevent against and/or disclose any conflict of interest of the faculty instructors presenting these courses.
