**Columbia University College Of Dental Medicine**
**COMPREHENSIVE IMPLANTOLOGY CONTINUUM, PART I**

**CONTINUING DENTAL EDUCATION**
**COMPREHENSIVE IMPLANTOLOGY CONTINUUM, 2019-2020**

From Treatment Planning to Hands-On Surgery

Course Directors:
Dennis P. Tarnow, DDS
James B. Fine, DMD

October 26, 2019 through April 19, 2020

Contemporary Dental Education
This continuing education course will train you in Columbia University College of Dental Medicine’s (CDM) philosophy and conceptual approach to Implant Dentistry. This continuum will enable general practitioners and specialists to better integrate implantology into private practice. Training in patient evaluation, treatment planning, surgical placement and implant prosthetics will be provided along with hands-on, model-based training with major implant systems. Learn step-by-step techniques to allow for safe and predictable implant placement.

**Course Directors**

Dennis P. Tarnow, DDS  
Clinical Professor of Dental Medicine,  
Director, Implant Education,  
Columbia University College of Dental Medicine;  
Private Practice in Implant Dentistry, NYC

James B. Fine, DMD  
Professor of Clinical Dental Medicine,  
Senior Academic Dean, Postgraduate,  
Graduate and Continuing Education Programs,  
Columbia University College of Dental Medicine;

**Course Location**

Columbia University Irving Medical Center  
630 West 168th Street  
New York, NY 10032

Classroom details provided prior to course start date.

Subway: A, C to 168th St. station

Hotels that offer special rates to Columbia CDM/CE participants and will be forwarded upon request.

**Course Objectives**

This course will enable you to:
- Learn the biology of osseointegration
- Assess the appropriateness of implants in the partially or fully edentulous patient
- Decide on the appropriate diagnostic radiographs/materials required in treatment planning
- Develop the surgical skills required for placement of implants
- Learn advanced prosthetic treatment planning
- Understand impression making, abutment selection, temporization and final restoration of implants
- Understand proper bone grafting and site development procedures
- Learn how to accomplish esthetic outcomes with implant prosthetics
- Understand wound healing and the effect of systemic diseases and medications on dental implant patients
- Practice socket preservation techniques on maxillary mandibular typodonts.

**Part I: Didactic and Hands-on, Model-based Training**

**Course Structure and Requirements**

The courses are lecture and hands-on, model-based format and are open to generalists and specialists.

**Course Dates**

**Option 1 (Six weekends)**  
2020: Jan. 11-12, Feb. 8-9, March 14-15 & April 18-19

**Option 2 (Two weeks)**  
2020: Week 2 - Tues. April 14-Sun. April 19

**84 CE Credits**

**BONUS:** Includes 10th Annual Columbia University/ICOI Symposium  
Fri. Dec. 13, 2019, 8 CE Credits (4 CE credits per 1/2 day)

**Part II: Clinical Implant Placement (optional)**

Upon successful completion of Part I of the Continuum, you have the option of performing up to two surgical implant placements on your patient. These sessions will be instructed by a CDM faculty member in a one-to-one clinical setting. Prior to performing implant placement, all Part II participants must first observe two implant procedures in our clinic. Participants may also opt for observation only. Additional course fees will apply.

- Participants may opt for observations only
- Customized, based on participants’ schedules during clinic hours (Mon.-Fri.)
- CE credits awarded for hours of participation

This course meets the continuing education requirements for the International Congress of Oral Implantologists (ICOI)’s Fellowship Credential and contributes to the maintenance requirements for ICOI Fellowship, IPS Mastership and ICOI Diplomate Credentials.

**Course Credit**

Columbia University College of Dental Medicine is an ADA CERP Recognized Provider 11/17-12/21. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Please contact your local licensing authority for CE credit hour guidelines and regulations.

**CANCELLATIONS AND CHANGES**

Refunds may be granted only if notification is received in writing at least three (3) weeks prior to the start of the course. Cancellations will result in a $500 processing fee. From three weeks prior to the course, the deposit is non-refundable. Once class starts, no refunds will be given. We cannot assume responsibility for losses due to participant travel arrangements.

**COLLEGE POLICY**

The courses are lecture and hands-on, model-based format and are open to generalists and specialists.
